COMPANY SUMMARY

Pope Properties and Leasing LLC is certified as a Veteran-Owned Small Business (VOSB) and Service-Disabled Veteran-Owned Small Business (SDVOSB) company that leads with integrity and a growth mindset. We understand how safety and security, as well as reducing risk and building strong relationships have a significant impact on current and future partners.

CORE COMPETENCIES

Specializing in Federal Contracting, Real Estate, Construction Management, Facility Maintenance, Janitorial Support and Landscaping Services. Pope Properties and Leasing LLC tackles complex projects, providing years of military and construction experience. We want to push construction and the federal government forward by supporting agencies through construction excellence.

- General Contracting - Renovations, inspections and concrete testing.
- Construction - Carpentry, masonry, demolition, waterproofing, painting, flooring, doors, windows and septic.
- Agile Project Management - Definition of project/scope, design, construction plans, procurement, construction, fulfillment and/or decommission.
- Landscaping - Sod installation, fertilization, pesticides, hydroseeding and maintenance.
- Electrical and Mechanical - Heating, cooling and plumbing.

DIFFERENTIATORS

- We stand for quality of our work rather than quantity.
- We use highest quality construction services, using the very best products the industry has to offer.
- Our dedicated staff will work hard to make sure that you're satisfied every step of the way.
- At Pope Properties and Leasing LLC we focus on safe, strong and beautiful construction, client interaction, reliability and efficiency.
